

Exploring Diversity at Cal Poly San Luis Obispo

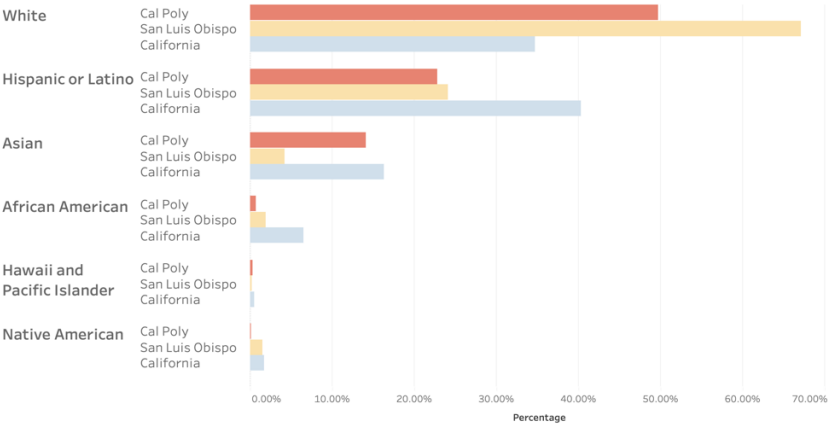

Cal Poly has a higher proportion of out-of-state students than the CSU system, but it doesn't fully reflect California's diverse ethnic makeup.

CA Residents vs. Non-Residents Enrollment by Percentage

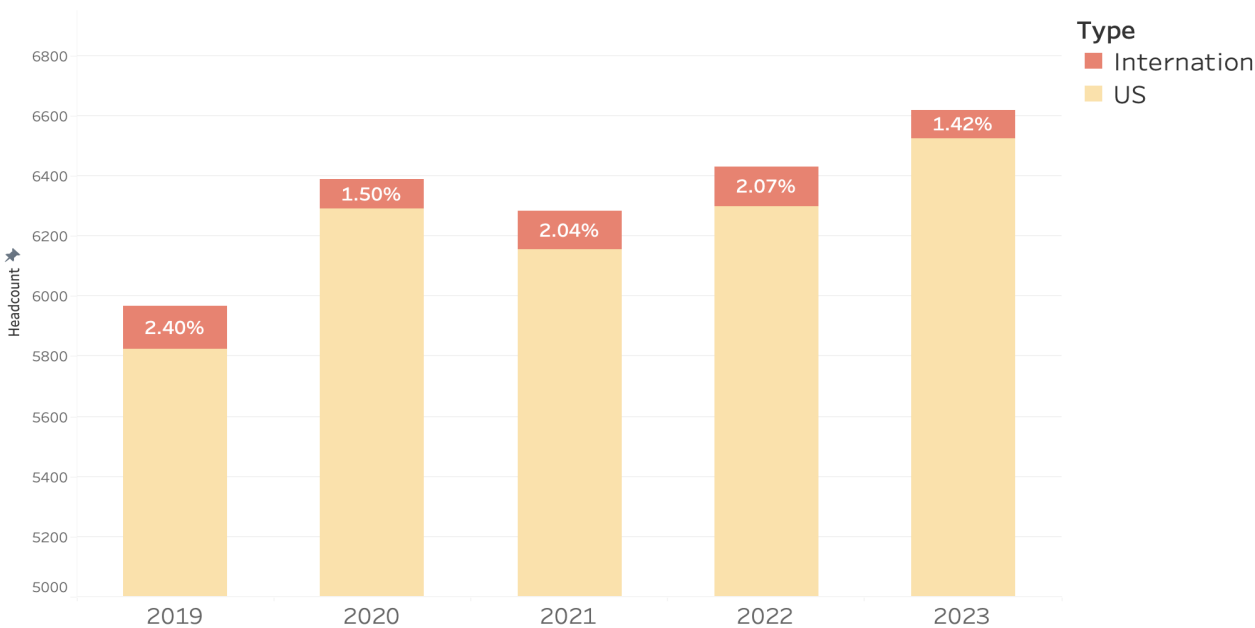

Sum of Percentage for each School broken down by Type. Color shows details about School. The marks are labeled by sum of Percentage. The data is filtered on Year, which ranges from 2023 to 2023.

Ethnicity Comparison by Regions

The number and ratio of international student enrollment at Cal Poly show a declining trend. U.S. Students vs. International Students Enrollment

Sum of Headcount for each Year. Color shows details about Type. The marks are labeled by sum of Percentage.
